

The Fourth Term (2013-2014)

Dr. Vimala George was the president for the fourth term. The term started with the kickoff and a successful fundraising event to offset the expenses of the fourth coming Biennial conference. The fourth biennial education conference was a crucial convention, a unique opportunity for all our members.

The two day educational conference was enjoyed by our members, many of whom attended family and friends. Leadership development is one of the main goals of NAINA and the first national leadership seminar was conducted in the same year in

Tampa, Florida with the focus of the leadership skills and abilities of our members and leaders during this term partnership with Grand Canyon University (GCU) which enables our members and their families to get a 15% discount for all courses at the university.
